

COVID-19 Economic Response Plan

Wage Subsidy & Business Cash Grants

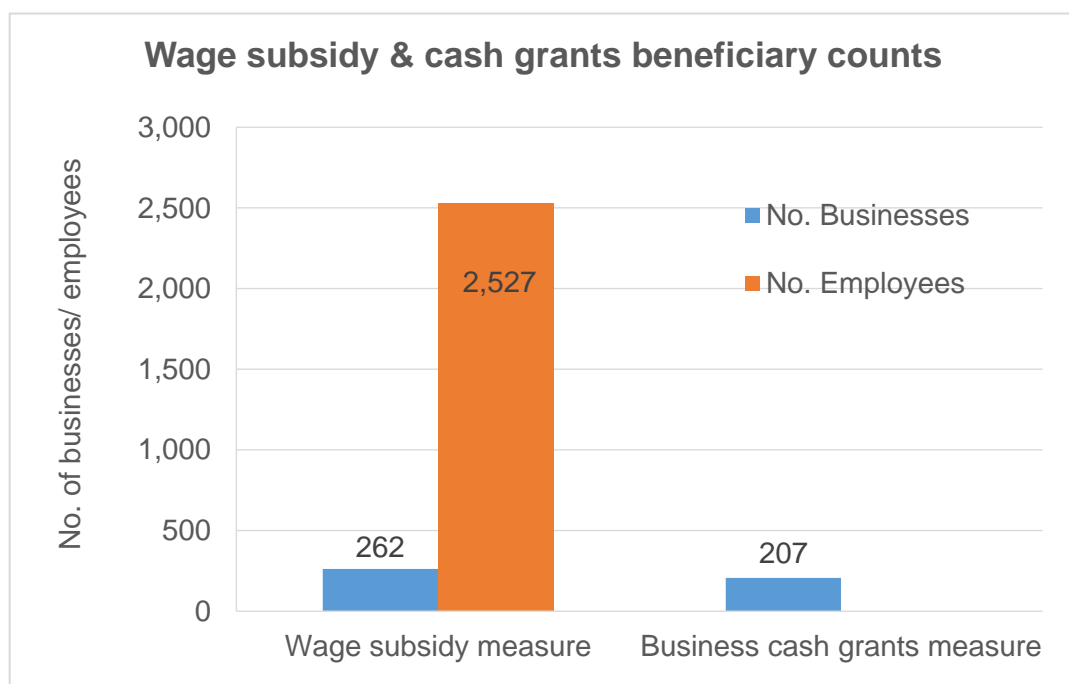

Beneficiaries, 22 April 2020

Summary

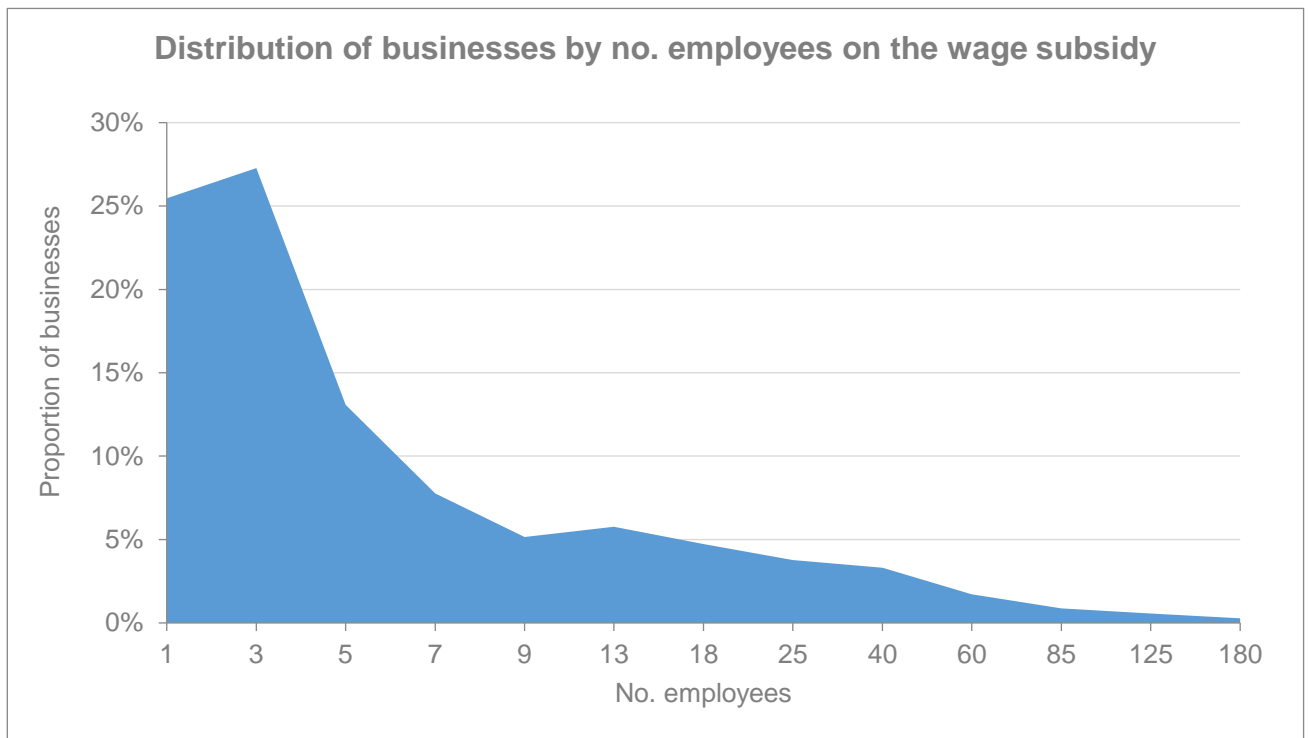

The wage subsidy and business cash grants are two of the key COVID-19 Economic Response Plan measures currently being rolled out by the Government to support businesses and their employees during the pandemic.

The wage subsidy, based on the minimum wage, is available for a 3-month period to businesses that are significantly impacted by the COVID-19 pandemic. The one-off business cash grants, which vary by business size, provide an immediate cash injection to registered businesses that are affected by the pandemic. For more information on the measures see the Ministry of Finance and Economic Management website at: http://www.mfem.gov.ck/images/ECON/COVID19_Factsheet-2_Business_support_10420.pdf.

As of 22 April 2020, a total of 262 businesses have qualified for the wage subsidy measure, with a total of 2,527 employees placed on the wage subsidy. As of the same date, a total of 207 businesses have qualified for the cash grants measure.

The 262 businesses being supported by the wage subsidy range from small businesses with just one employee, to large businesses with up to 180 employees. More than three-quarters of the businesses being supported have 10 or fewer employees.

The list of beneficiaries of the [wage subsidy](#) and the [cash grants](#) are provided below. The lists will be updated on a weekly basis.
