CLIMATE CHANGE COOK ISLANDS

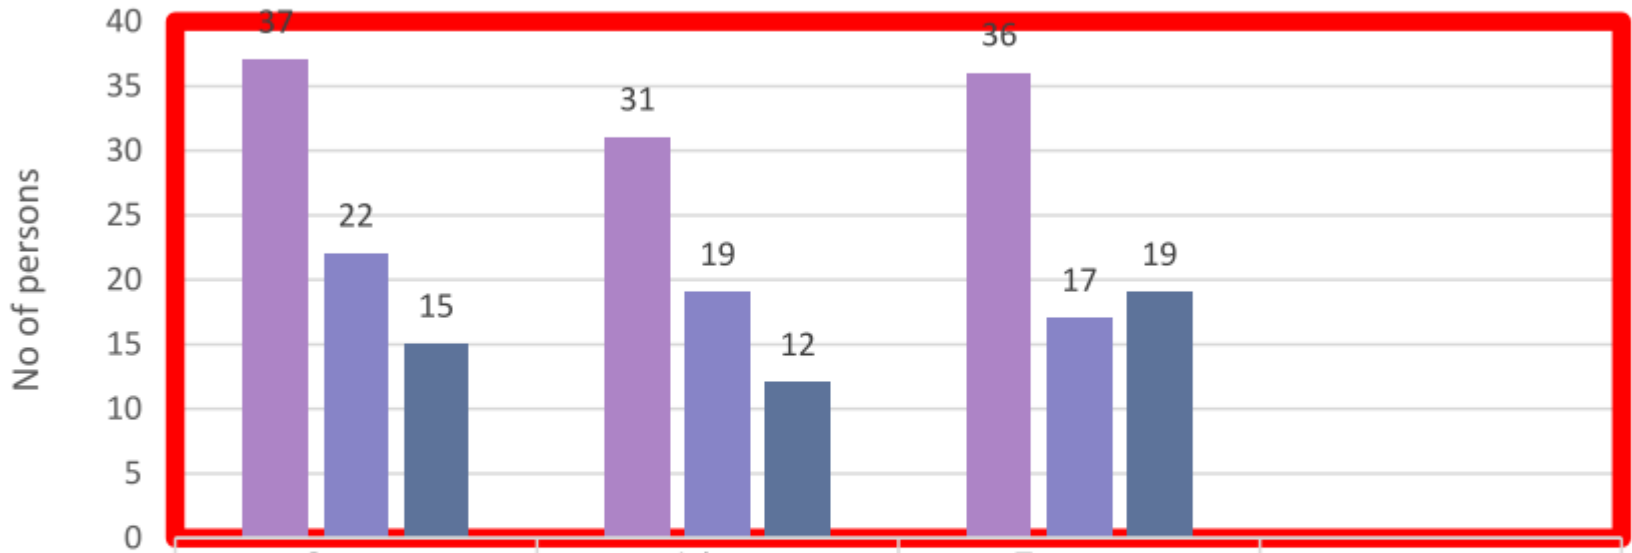

# Raising Awareness in the Pa Enua (Aitutaki, Atiu, Mangaia)

|Rarotonga, October 2017

- Raise awareness of Green Climate Funding (GCF)
- Inform Communities about the GCF Process, who the National Designated Authority (NDA) is and what its role is and Criteria's for accessing GCF
- Provide information on what Government is doing to service and access the GCF funding
- Communicate purpose of the fund and who can access it.

# Statistics - Mangaia

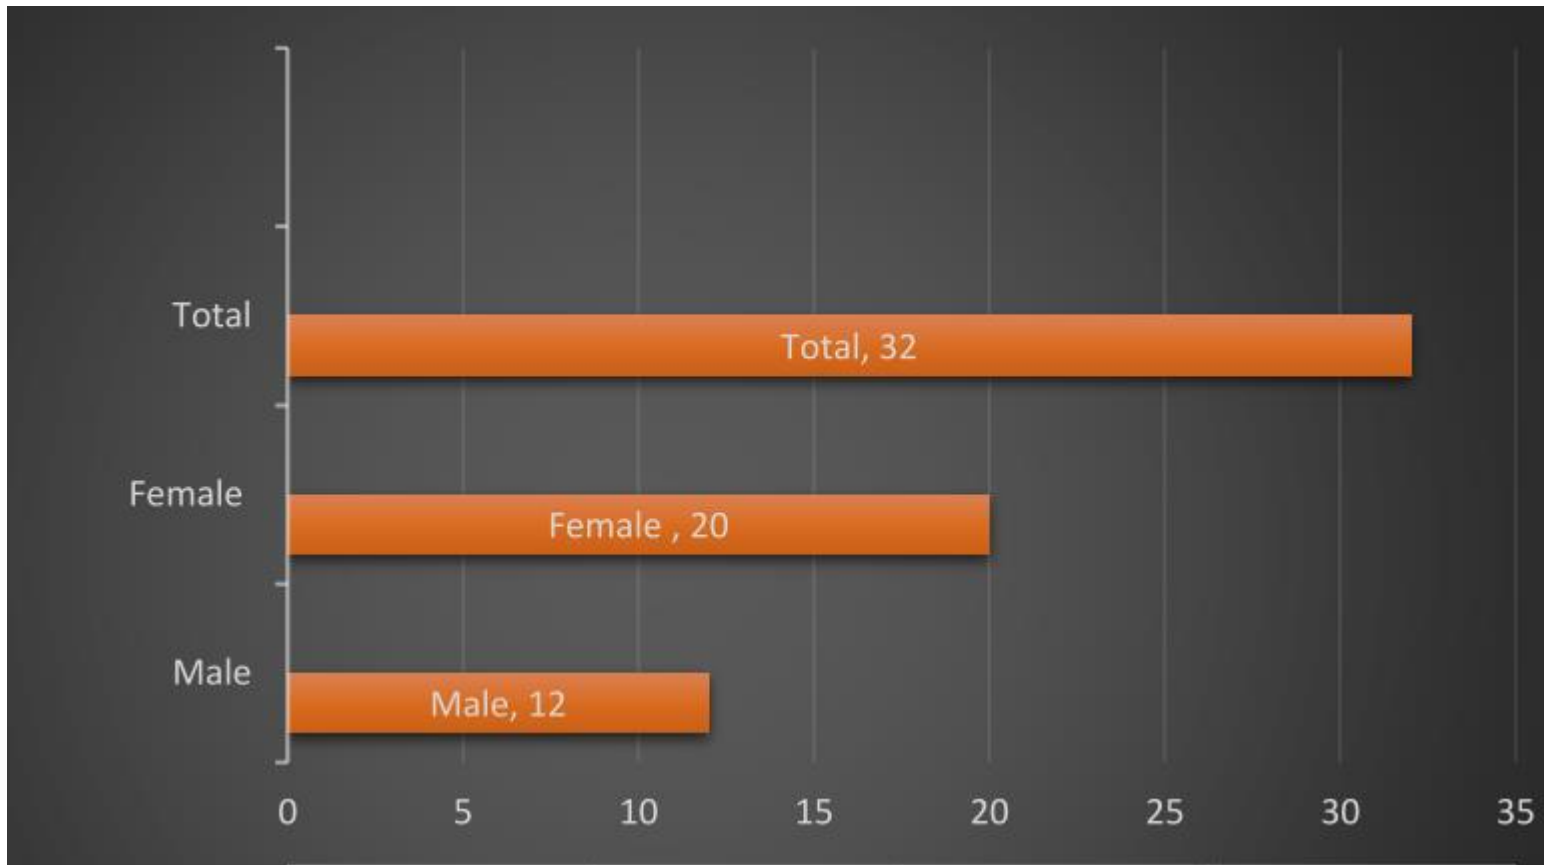

## ATTENDANCE BY GENDER

	Oneroa	Ivirua	Tamarua
Total	37	31	36
Male	22	19	17
Female	15	12	19

■ Total ■ Male ■ Female

# Statistics - Atiu

## From the Pa Enuua

- Access to a small grants facility under GCF (small projects)
- Request support from NDA and Rarotonga Agencies to help with project ideas/proposals
- Ensure open communications with PA Enuua on GCF progress. (updates on GCF access, project proposals, etc)
- Provide relevant documentation to Pa Enuua (translated process map, regular updates, ideas from other Pa Enuua)

# For the Pa Enuā, Ministries and Stakeholders

- Collaboration
- National approach
- Identify similar projects and group them to form one large project.
- Stay informed
- Start Now
