GOODS OF BIOSECURITY INTEREST

The Cook Islands operates under very strict Bio-security procedures at the border to prevent the introduction of pests and diseases of animals and plants that may adversely affect our economy, environment or human health. Consider all questions carefully and answer correctly. Failure to do so could result in unwanted pests and diseases being introduced which could significantly harm the Cook Islands and Cook Islanders Attempting to possess, or possession of unauthorised goods, may constitute an offence pursuant to part 12 of the Bio-security act 2008. **Every person who commits an offence is liable, upon conviction, to imprisonment for a term not exceeding 5 years, a fine not exceeding \$100,000, or both.**

If you are unsure about any items, please ask a Bio-security officer.

Unaccompanied personal effects must not be opened without Bio-security authorisation.

This includes the container, crates, bags, boxes and any luggage. Failure to comply may constitute an offence pursuant to part 12 of the Bio-security Act 2008.

It the responsibility of the importer/owner or agent applying for the clearance of goods to arrange an inspection date and time with Quarantine Services by visiting or telephoning the local Bio-security office.
